To Dream In The City
DREAMS in the City. Gleaming with excitement, Ross enjoyed every moment at DREAMS in the City and shared her story of perseverance with having type 1 diabetes, family support and hope for a cure. “It was such a wonderful and special evening to be surrounded by my friends, family and the whole DRI community,” said Ross, who was diagnosed at age 6.

Therefore the dream may show something of the many choices you make or can make about your direction, relationships or activities. It may also be about your sense of community, or the mental
and emotional environment in which you live. For instance if it is a dark rainy city, then it suggests you are living within that sort of dismal inner life.
